

Steps to Service

During the last several weeks I have been preaching on spiritual gifts during the morning worship service. God has given to each Christian at least one spiritual gift to be used to glorify God and to build up the church. God's plan is that each of us that are Christians, part of the body of Christ, serve in some way.

There are several steps to effective service:

- **Starting point:** Make sure that you are saved, sanctified (living for God), Spirit-filled, and servant-minded.
- **Talents:** Think through what natural talents God has given you.
- **Experiences:** Think through what experiences you have had in the past as you have tried to serve.
- **Passions:** Think through what excites you or makes you enthusiastic.
- **Spiritual gifts:** Read Rom. 12:3-8; 1 Cor. 12:1-31; Eph. 4:11-13; and 1 Pet. 4:10-11 and prayerfully seek to discover, develop, and deploy or use the gift or gifts God has given you. A helpful website that could help you discover your gift is gifts.churchgrowth.org/spiritual-gifts-survey/.

Through study and prayer and experience and counsel of others, let's trust God to show us where to serve and then get involved.

The church is strongly encouraged to participate this year by donating items listed in the foyer by September 15th.
