

We as disciples should seek to **love** God and love each other, **learn** God's word, and **live** extraordinary lives that glorify God. Some honest evaluation might be appropriate. Does this statement describe my life, resulting in **relationship, transformation, and impact**? Do I need to walk in newness of life (Rom. 6:4)?

-Pastor Ron

Big Creek Mission July 6th - 12th

This summer our student ministry will be going on a mission trip to Big Creek Mission in Bear Branch, Kentucky. While we're there, we'll have a chance to serve the community by providing meals and clothing, and by supporting them through the hardships they are facing. After helping to provide physical needs, we will also have the chance to provide spiritual needs by sharing the gospel. It's an exciting opportunity to be the hands and feet of Jesus to a community that desperately needs it. To save your spot, please bring your \$50 deposit by February 19th. Total cost of the trip is \$259. If you have any questions or want to give your deposit, please talk to Tyler or Julie.

Snacks for Independence

We are collecting snacks for children at Independence. They must be individually wrapped and child-friendly. You can drop them off in the bin beneath the communication center by the choir room. Thank you!
