### "Living on Purpose"

We are continuing a study on 50 Days of Purpose. Our purpose as a church is to make disciples who lead people to Jesus, learn God's word, love God's people, and live for God's glory. Today the focus is on leading people to Jesus. In the Great Commission given by Jesus in Matthew 28:19-20, Jesus exhorts the disciples to make disciples by going, baptizing, and teaching to observe all that He had commanded. Going refers to evangelism, sharing the good news of Jesus Christ to a lost world. That is the responsibility not just of the pastor or missionary but each and every one of us. To do a better job of fulfilling God's purpose we must do a better job of introducing people to Jesus.

Baptizing involves a declaration by the person saved that he has trusted Christ as Savior and is committed to living with Christ as Lord. It communicates salvation by faith in Christ and sanctification in our daily life. If you have trusted Christ as Savior and desire to be baptized, please let us know.

Teaching to observe all that Jesus has commanded is self-explanatory. Hopefully, during the next six weeks we will focus on some of Jesus' most important commands. Our concentration on following Jesus and obeying His commands makes perfect sense in the light of eternity. This life on earth will not last very long, especially in comparison to how long eternity will be. We need to make sure that we are doing all we can to be disciples and make disciples.
