"To God Be the Glory!"

One of our biggest problems is our inability to focus on God, on His word, and on His ways. The circumstances of life tend to take up most of our concentration, and the majority of our time and activity relate to temporal things. We do live in the world and have to give adequate attention to responsibilities here on earth. Neglecting to change a child's diaper because we are reading the Bible and praying all day is not appropriate. God has given us responsibilities in life and ministry and we need to take care of them. But our number one priority should be God, His will, and His work.

Jesus taught this principle in Mt. 6:25-34. As we seek first the kingdom of God and His righteousness, as our loving heavenly Father, God will make sure our basic necessities are provided. As we are faithful to give generously, like the Philippians did, God will supply all of our need "according to His riches in glory by Christ Jesus." The next verse, Phil. 4:20, says, "Now to our God and Father be glory forever and ever. Amen."

I am grateful that "The Glory Fund" focuses on God, how He is leading us as we pray, and what He is going to do in and through us as we trust and obey. To God be the glory!
